PROFESSIONAL EXPERIENCE AND CERTIFICATES

Bootcamp JavaScript By Tuwaiq Academy:

2023

Throughout the duration of the bootcamp, I acquired knowledge of Javascript, Typescript, and various tools, frameworks, libraries, and databases, thereby enabling me to excel as a full-stack developer. Additionally, I worked on numerous projects using these technologies, which was a significant stepping stone toward fulfilling the job market demands.

Bootcamp Swaher By Sdaia & Tuwaiq Academy:

2022

I gained knowledge of the fundamentals of CCTV systems, the operation of cameras, how switches connect them to the network, how to deal with the DNA center, and the advantages of firewalls. I also learned about recording and storage equipment, how data is kept, what a VMS is, and how I may benefit from big data and cloud storage technologies.

EDUCATION

Computer Science, University of Tabuk

2022

I have been awarded the first-class honor with a GPA(of 4.89) and an overall grade of Excellent.
